we are pleased to tell you that our examination of the flow-through entity Authoric Sensor shows no change is required in the tax as currently shown for your return(s) for the above period(s).

If you have any questions, please write to the person whose name is shown at the top of this letter or you may call that person at the telephone number shown. If the number is outside your local calling area, there will be a long-distance charge to you. If you prefer, you may call the IRS telephone number listed in your local directory.
